1	EPF/2230/17 <i>Nicola Dawney</i>	92 Blenheim Square North Weald <i>Mrs Nicola Carter</i>	Proposed loft conversion with front and rear dormers.
The Parish Council has NO OBJECTION to this application, however would like to point out that this development was originally designed specifically with no rear dormers so as to not cause any amenity intrusion onto the neighbouring properties that were already in situ at the time the development was built. The provision of Obscure Glass should perhaps be considered as a condition.
