PLEASE COMPLETE THIS QUESTIONNAIRE
To be submitted by 8th July 2018

Thank You

WHY IS THIS QUESTIONNAIRE IMPORTANT?

The Localism Act 2011 enables local residents to have a say about the future of their area. By completing this questionnaire, local residents can have their say on what's important to them, and we can ensure that what comes our way is right for us and our future.

If you care about your local environment and have a sense of responsibility with respect to what's happening with future development, please complete the questionnaire and return by 8th July 2018.

- You can complete this hardcopy questionnaire and drop it into North Weald Library
- Leave your questionnaire outside your home in the envelope provided on the date specified at the front of your questionnaire pack. A volunteer will collect it
- Complete online via the website: www.northwealdbassettpian.org

If you require additional questionnaires for other members of the household, you can collect them from the library, use the online version, or contact the Neighbourhood Steering Group for more copies.

If you need help to complete the questionnaire, a member of the Neighbourhood Plan Steering Group may be able to assist you.

If you have any questions, one of the Neighbourhood Plan Steering Group would be pleased to talk with you.

You can also attend a drop-in session at the Parish Council office (in North Weald Library) between 10am-12pm every Monday between 18th June and 2nd July.

If you need help or further information, please contact a member of the Steering Group at 01992 523825

**We'll update you later in the year with the results.
Thank you for your support.**
