AGAR Supporting Note

Section 1 of the AGAR (entitled the Annual Governance Statement) asks councils to provide explanations to the external auditor on a separate sheet for each 'No' response and describe how the authority will address the weaknesses identified. These sheets must be published with the Annual Governance Statement.

The Parish Council has entered a 'No' response for question 5 of section 1 – *'We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required'*.

The Parish Council does undertake regular assessments of the many risks the Councils faces, including a Financial Risk Assessment that was undertaken in February / March, however this was not completed in time to be considered by Council at the March Meeting as planned. Due to COVID-19 crisis, the Council's resources were prioritised changed following the imposed lock down by Government mid-March, and such a hold was placed on this action to address more pressing matters. As such, the financial Risk Assessment was eventually considered, reviewed and adopted at the May 2020 Annual Parish Council meeting (Minute Reference C20.015(d)).
